

Disclaimer for EZRecoveryCard products

Please backup all important data before installing EZRecoveryCard. You may use floppy disks, ZIP disks, CD-R/RW or a spare HDD for backup.

Before performing a “ **save** “ operation, ensure that you are absolutely sure that the system is clean, that there are no viruses, etc. Once **save** is done, any settings, viruses, etc are saved permanently as part of the system.

To ensure completely trouble free installation as well as efficient post installation operation of EZRecoveryCard, it is most important that installation instructions as detailed herein be strictly followed. Failure to comply may result in loss or corruption of your data.

Although successfully tested on a wide variety of computer systems, the manufacturer assumes no liability and therefore shall in no event be held liable for any direct or consequential damages or loss arising from the purchase and/or use of this product. By purchasing and using this product, you are agreeing to all these conditions.

Warranty

This product carries a one year limited warranty from the date of purchase against manufacturing defects. During the warranty period, product deemed defective by us in form or function will be repaired or alternatively, at our option, replaced at no charge. This warranty, however, will be rendered void and non-applicable in cases of torn or tampered security sticker, unauthorized repair, accidental damage, abuse, misuse, deliberate and/or attempted modifications of software or any hardware component.

Compatibility

EZRecoveryCard has extensively been tested and successfully used on a wide variety of personal computer systems. However, we do not preclude any possibility of product incompatibility problems arising from the use of EZRecoveryCard in relation to certain software and/or hardware.

Should you encounter any problem, kindly contact us on the Internet Website at <http://www.ezrecoverycard.com> or email us directly at support@ezrecoverycard.com to notify the problem.
